'storybook-to-ghpages'.
23 error Make sure you have the latest version of node.js and npm installed.
23 error If you do, this is most likely a problem with the simple-react-app
package,
23 error not with npm itself.
23 error Tell the author that this fails on your system:
23 error     storybook-to-ghpages
23 error You can get information on how to open an issue for this project with:
23 error     npm bugs simple-react-app
23 error Or if that isn't available, you can get their info via:
23 error     npm owner ls simple-react-app
23 error There is likely additional logging output above.
24 verbose exit [ 1, true ]
